Accession List

AC93/9 Papers relating to Short aircraft, 1935-1958

The collection includes type records and reports.

Object Number	AC93/9/1
Title	S.23 Empire boat: Type record, 1936
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Covers the standard Empire Boat.
Production Date	1936
Brief Description	Aircraft type record.
Object Number	AC93/9/2
Title	S.23 Empire boat: Type record, 1936
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Covers the standard Empire Boat. Practically identical to AC93/9/1.
Production Date	1936
Brief Description	Aircraft type record.
Object Number	AC93/9/3
Title	S.23 Empire boat: Type record test reports, 1935-1936
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Covers the testing of the standard Empire Boat.
Production Date	1935-1936
Brief Description	Aircraft type record.

Object Number	AC93/9/4
Title	S.23 Empire boat: Type record addenda diagrams, 1935-1936
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Covers the standard Empire Boat.
Production Date	1936
Brief Description	Aircraft type record.
Object Number	AC93/9/5
Title	S.26 type record, 1940
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Covers the standard Short G-Class.
Production Date	1940
Brief Description	Aircraft type record.
Object Number	AC93/9/6
Title	S.26 type record, 1942
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Covers the standard Short G-Class. Similar to AC93/9/5.
Production Date	1942
Brief Description	Type record.
Object Number	AC93/9/7
Title	S.26 type record addenda 1-2, circa 1941-1946
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Covers additions to the standard Short G-Class.
Production Date	Circa 1941-Circa 1946
Brief Description	Aircraft type record.
Object Number	AC93/9/8
Title	S.26 type record test reports, circa 1937-1939
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Covers the testing of the standard Short G-Class.
Production Date	Circa 1937-Circa 1939
Brief Description	Aircraft type record.

Object Number AC93/9/9
Title S.26 type record test reports, circa 1937-1939
Maker Name Short Brothers & Harland Limited
Maker Role Maker
Content Note Covers the testing of the standard Short G-Class. Very similar to AC93/9/8.
Production Date Circa 1937-Circa 1939
Brief Description Aircraft type record.

Object Number AC93/9/10
Title S.26 type record diagrams, circa 1936-1939
Maker Name Short Brothers & Harland Limited
Maker Role Maker
Content Note Diagrams relating to the standard Short G-Class.
Production Date Circa 1936-Circa 1939
Brief Description Aircraft type record.

Object Number AC93/9/11
Title S.26 type record diagrams, circa 1936-1939
Maker Name Short Brothers & Harland Limited
Maker Role Maker
Content Note Diagrams relating to the standard Short G-Class. Very similar to AC93/9/11.
Production Date Circa 1936-Circa 1939
Brief Description Aircraft type record.

Object Number AC93/9/12
Title Dossier: Conversion of "G" class boat to military aircraft, 1940
Maker Name Short Brothers & Harland Limited
Maker Role Maker
Content Note Discussions of the modifications to the standard Short G-Class in order to make it a military aircraft.
Production Date 1940
Brief Description Report.

Object Number AC93/9/13
Title Test reports, type record R.2/33 (Sunderland), 1935-1938
Maker Name Short Brothers & Harland Limited
Maker Role Maker
Content Note Reports on the testing of the Sunderland.
Production Date 1935-1938
Brief Description Aircraft type record.

Object Number	AC93/9/14
Title	Strength summary, type record R.2/33 (Sunderland), 1936-1938
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Various types of testing of the Sunderland.
Production Date	1936-1938
Brief Description	Aircraft type record.
Object Number	AC93/9/15
Title	Diagrams, type record R.2/33 (Sunderland), 1938
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Diagrams relating to the Sunderland.
Production Date	1938
Brief Description	Aircraft type record.
Object Number	AC93/9/16
Title	Type record R.22/36 (Sunderland II): Addenda 1-7, 1938-1941
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Addenda to the type record of the Sunderland II.
Production Date	1938-1941
Brief Description	Aircraft type record.
Object Number	AC93/9/17
Title	Type record R.22/36 (Sunderland II): Addendum 20, 1949
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Addendum to the type record of the Sunderland II.
Production Date	1949
Brief Description	Aircraft type record.
Object Number	AC93/9/18
Title	Type record Stirling bomber: Book 1, 1939-1940
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	General particulars about the Stirling bomber.
Production Date	1939-1940
Brief Description	Aircraft type record.

Object Number	AC93/9/19
Title	Type record Stirling bomber: Book 2 and test reports, 1939-1940
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	General particulars about the Stirling bomber and its testing.
Production Date	1939-1940
Brief Description	Aircraft type record.
Object Number	AC93/9/20
Title	Type record Stirling bomber, diagrams, 1939-1940
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Diagrams relating to the Stirling bomber.
Production Date	1939-1940
Brief Description	Aircraft type record.
Object Number	AC93/9/21
Title	Type record Stirling bomber, strength summary: Book 1, 1939-1940
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Strength summary relating to the Stirling bomber made up of notes and diagrams.
Production Date	1939-1940
Brief Description	Aircraft type record.
Object Number	AC93/9/22
Title	Type record Stirling bomber, strength summary: Book 1, 1939-1940
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Strength summary relating to the Stirling bomber made up of notes and diagrams. Copy of AC93/9/21.
Production Date	1939-1940
Brief Description	Aircraft type record.

Object Number	AC93/9/23
Title	Type record Stirling bomber, strength summary: Book 2 and test reports, 1939-1940
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Strength summary relating to the Stirling bomber made up of notes and diagrams. Various test report documents at the end.
Production Date	1939-1940
Brief Description	Aircraft type record.
Object Number	AC93/9/24
Title	Type record Stirling bomber: Addenda 1, 2, 3, 4 and 6, 1940
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Technical addenda relating to the Stirling bomber made up of notes and diagrams. Subjects include fuselage stressing and glider towing controls.
Production Date	1940
Brief Description	Aircraft type record.
Object Number	AC93/9/25
Title	Type record Stirling bomber: Addenda 2, 3 and 4, 1942
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Technical addenda relating to the Stirling bomber made up of notes and diagrams. Subjects include various strength surveys and general particulars.
Production Date	1942
Brief Description	Aircraft type record.
Object Number	AC93/9/26
Title	Type record Stirling bomber: Addendum 6, 1944
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Technical addendum relating to the Stirling bomber made up of notes and diagrams. Subjects include fuselage and controls.
Production Date	1944
Brief Description	Aircraft type record.

Object Number	AC93/9/27
Title	Type record Stirling bomber: Addenda 1 and 2, 1941
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Technical addenda relating to the Stirling bomber made up of notes and diagrams. Subjects include test reports and Hercules engines.
Production Date	1941
Brief Description	Aircraft type record.
Object Number	AC93/9/28
Title	Type record Stirling bomber: Addenda 3 and 4, 1941
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Technical addenda relating to the Stirling bomber made up of notes and diagrams. Subjects include strength summaries.
Production Date	1942-1943
Brief Description	Aircraft type record.
Object Number	AC93/9/29
Title	Type record Stirling bomber: Addenda 3 and 4, 1941
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Technical addenda relating to the Stirling bomber made up of notes and diagrams. Subjects include strength summaries. Copy of AC93/9/28.
Production Date	1942-1943
Brief Description	Aircraft type record.
Object Number	AC93/9/30
Title	Type record Stirling bomber: Addenda 5 and 6, 1944
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Technical addendum relating to the Stirling bomber made up of notes and diagrams. Subjects include the fuselage.
Production Date	1944
Brief Description	Aircraft type record.

Object Number	AC93/9/31
Title	Preliminary report on design study of VTOL platform for aircraft launching and retrieving and for various ferry duties: Shorts preliminary design 17/3 (for Shorts/English Electric strike aircraft project for specification GOR.339, 1958
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Preliminary report about the development by Shorts and English Electric to design a medium range strike aircraft to replace the Canberra.
Production Date	1958
Brief Description	26 photocopied pages.
Object Number	AC93/9/32
Title	Report on Shorts/English Electric preliminary design 17D (sic), launching platform for GOR.339 strike aircraft, 1958
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Report about the development by Shorts and English Electric to design a medium range strike aircraft; specifically refers to it launching and VTOL capacities.
Production Date	04 August 1958
Brief Description	16 photocopied pages.
Object Number	AC93/9/33
Title	Report with appended drawings, "Short Bros Ltd Project No. SB1, medium range bomber to specification B.35/46", circa 1950
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Report about the design for a tailless jet engined bomber.
Production Date	Circa 1950
Brief Description	36 photocopied pages.
Object Number	AC93/9/34
Title	Type record, S.35 Shetland Prototype 1: Volume 1, circa 1945
Maker Name	Short Brothers & Harland Limited
Maker Role	Maker
Content Note	Part of the type record dealing with design particulars and structural characteristics.
Production Date	Circa 1945
Brief Description	Aircraft type record.

Object Number AC93/9/35
Title Type record, S.35 Shetland Prototype 1: Volume 2, circa 1945
Maker Name Short Brothers & Harland Limited
Maker Role Maker
Content Note Part of the type record dealing with the strength summary.
Production Date Circa 1945
Brief Description Aircraft type record.

Object Number AC93/9/36
Title Type record, S.35 Shetland Prototype 1: Volume 3, circa 1945
Maker Name Short Brothers & Harland Limited
Maker Role Maker
Content Note Part of the type record dealing with test reports by Saunders and Roe.
Production Date Circa 1945
Brief Description Aircraft type record.
