High Point Rendel Archive

Provisional listing by MC 1st May 2008
no checking library catalogues/weeding duplicates

Miscellaneous

Construction du Canal de Suez 1859-1869: vues retrospectives. 193X. Ref 1A 15 Ex libris
Frederick Palmer

Indices to ICE Minutes of proceedings 2 vols; 1-20, 21-30

Reports of James Meadows Rendel (* printed)

[Note: large gap 1831-1850

No reports seen on Indian railway work or Birkenhead, or Admiralty harbours

There was evidently another volume in existence in the 1970s when John Palmer provided MC with a Tees report]
