**Administrative/biographical history**

Rural District Councils were established in 1895, under the terms of the Local Government Act 1894. The act created new Urban District Councils to replace Local Boards of Health and Urban Sanitary Authorities. Rural Sanitary Authorities, previously administered by the Poor Law Union, became Rural District Councils. The powers and boundaries of these districts remained largely unchanged, and in many cases the members and officers of the authorities also remained the same. Elections were held for the new Urban and Rural District Councils in December 1894.

Llantrisant and Llantwit Fardre Rural District Council was created from the Pontypridd Rural Sanitary Authority in 1894. Elections were held on December 17th that year, and the Council met for the first time on January 11th 1895. The Council covered the area of the parishes of both Llantrisant and Llantwit Fardre. As such, it was one of the largest authorities of its kind in Britain, covering 18,433 acres. It was responsible for housing; recreational facilities; sanitation; lighting and roads.

Llantrisant and Llantwit Fardre Rural District Council ceased to exist in 1974, under the terms of the Local Government Act 1972. Its responsibilities were transferred to the newly established Taff Ely Borough Council.

**TREASURER**

The following records were formerly listed by obsolete reference codes as as separate series:  
1. Records identified among those of Pontypridd Union (former reference U/Pp , now UPP/ ) and Llantrisant and Llantwit Fardre RDC (former code RD/LI ) previously stored in a warehouse in Williams Way, Cardiff. No typed list for these was found in November 2007. The Union records included those of the Surveyor which have been re-listed RDLL/S/1/1-9. Union rates valuation records before 1925 and ratebooks before 1927, properly listed among Pontypridd Union trasurer's records have been placed with RDLL/T because they remained in administrative use after 1927. A small number of individual items have been transferred to those of Pontypridd Union.

2. Records formerly stored in Llandaff Police Station. These were found to have numbers but the only list was manuscript on location index cards

3. Unlisted 'strays' in various locations in the Glamorgan Record Office strongrooms and outstores.

All records appear to have lost any original administrative sequence. Any former reference codes have been placed in [ ] in this list but are now obsolete and should not be used in ordering or in citing sources.
