Records of Irlam and Cadishead Athletic Football Club, [1952] - 1977, n.d.
 Deposited: D.L.W. Foster, Esq., 5 Enticott Road, Cadishead, Irlam, Manchester, M30 5HW, Manager of the Club, July, 1981 (indefinite loan).
 Catalogued: A.N. Cross, July, 1981.
 Location: Archives Centre, 658/662 Liverpool Road, Irlam, Manchester, M30 5AD.

The following information has been supplied by Mr. D.L.W. Foster. The team began with twelve players who lived locally or had been to local schools and who played as Glazebrook Rovers Football Club in the Urmston League from 1952 to 1956. From 1952 to 1955 they were champions of this League. They used Cadishead Park. In 1956 they transferred to Warrington and District Football League. The team had been trying to obtain their own pitch and this was achieved when they were asked to join Irlam and Cadishead Youth Club. They became the football section of the Club and played from 1960 under the name Irlam and Cadishead Youth Club, from 1960 to 1963 as an under-eighteen team and from 1963 as an "open age" team. At the end of the 1972-73 season they had to leave the Youth Club because of restrictions as to age. They played under the name "Irlam Ship Hotel" from 1973 to 1975 and under the name "Irlam and Cadishead Athletic" from 1975 to 1977 when the team ceased to continue.

Details of the team and its performances can be found in the following registers, esp. on their opening pages. Accounts of the team also appeared in issues of the Cadishead and Irlam Guardian: photocopies of some of these accounts have been sent to Irlam District Library for inclusion in its Local History Collection. They also describe the work for the Club of Mr. Foster who acted as manager, secretary and treasurer.
