### Cofnodion C.D.T. Criccieth

Dim ond rhan bychan o'r casgliad hwn a ddangosodd unrhyw trefn. Roedd yna nifer fawr o ffeiliau a llyfrau anghysylltiedig yn yr un bocsys ac felly gwahanwyd hwy a'u rhoi mewn trefn newydd.

Ffurfwyd un grŵp o ddogfennau y Cyngor llawn, un arall o'r pwyllgor ac o'r dogfennau yn ymwneud â gwaith Swyddogion y C.D.T. ffurfwyd grŵp hefyd. Roedd hi'n naturiol i ffurfio grŵp o ddogfenau'r Treth y lldion a'r Dreth Leol.

Nid oedd y dogfennau hynny oedd yn ymwneud ag ymchwiliadau a'r Bwrdd Claddu Cyfun yn dod o dan swyddogaeth y C.D.T. yn unig, ac felly maent yn ffurfio dau grŵp ar ôl y brif rhediad o ddogfenau'r C.D.T.

### Records of Criccieth U.D.C.

Only a small part of this collection displayed any coherent order. Many unrelated files and books were in the same box and were thus separated and placed in a new order.

Documents relating to the full Council formed one group, the committees formed another and the documents relating to specific officers of the U.D.C. also formed a group. Those documents relating to Poor Rates and General Rates were grouped followed by a group arranged by document type.

Documents relating to inquiries and the Joint Burial Board were not exclusively the work of the U.D.C. and thus form two separate groups after the main run of U.D.C. documents.
